SBI Card PULSE FAQ's

SBI Card PULSE FAQ'S

1. What is SBI Card PULSE?

Ans: SBI Card PULSE powered by Visa/Mastercard contactless technology is a fast and convenient way to pay for every day purchases. It is a secure, contactless chip technology designed to help you spend less time at the cash register and give you the freedom to do the things that matter most to you.

2. How does the SBI Card PULSE work?

Ans: Step 1: Look for the Visa/Mastercard contactless technology mark and contactless logo at the point of sale.

Step 2: The cashier enters your purchase amount into the terminal. This amount will be displayed on the contactless reader.

Step 3: Hold your card over the reader at close range (less than 4 cm from where the contactless logo appears).

Step 4: Four green indicator lights or a beep sound will indicate when the transaction is complete. A message will also be displayed on the screen indicating the transaction is complete. No PIN is required.

Please note that payment through contactless mode is allowed for a maximum of ₹5000 for a single transaction.

3. What are the benefits?

Ans: Contactless payment functionality powered by Visa/Mastercard is specially designed for you for speed, convenience and security. During a contactless transaction the card never leaves your hand. This greatly reduces the risk of card loss and fraud through counterfeit/skimming. A Visa/Mastercard contactless card has its own, unique, built-in, secret key, which is used to generate a unique code for every Visa/Mastercard contactless transaction, thus making it more secure. There's no dipping, swiping or fumbling for cash. You're ready to go in just a few seconds. Ideal for places like fast-food joints, petrol stations, movie theatre etc. You don't need to look for cash/coins for small ticket everyday purchases. It is also easier to keep track of these expenses.

4. Is there a limit for a contactless transaction amount? Can I set my own limit?
- Ans: Payment through the contactless mode is allowed for a limit of maximum ₹5000 for a single transaction. For a contactless transaction PIN is not required. This limit is common for all customers and setting up of individual limit is not possible. Any transaction amount more than ₹5000 has to be carried out through Look, Wave, Go, a contact transaction (Dip or Swipe) and entering the PIN. You can also choose to do a contact transaction (Dip or Swipe) with PIN for transactions amount below ₹5000.
5. Where can I use my SBI Card PULSE ?
- Ans: You can look for the Universal Contactless symbol at the POS machine at merchant outlets. Also, please visit sbicard.com for details of merchants enabled for Visa/Mastercard contactless payment acceptance.
6. Can I use my SBI Card PULSE at other merchants (not enabled or contactless payment acceptance) as well?
- Ans: Yes, for the merchants not enabled for contactless payment acceptance, you can use this card for a normal dip or swipe transaction.
7. Could I be debited twice if I have more than one contactless card?
- Ans: No, as contactless readers will only communicate with one card at a time. If the shop's reader finds more than one contactless card in your wallet or purse, you will be asked to select one card to pay.
8. Could I unknowingly have made a purchase if I walk past the reader?
- Ans: No. Your card has to be waved within 4 cm of the card reader for more than half a second and the retailer must have first entered the amount for you to approve. Terminals can only process one payment transaction at a time, therefore reducing transaction errors.
9. Is there any difference in the process for ATM and Internet transactions for the SBI Card PULSE?
- Ans: There is no difference in transaction process for ATM or any Card not present transactions including internet transactions. For ATM transactions you need to enter the PIN and for Internet transaction you need to enter your 3D secure PIN or OTP.

USE CREDIT RESPONSIBLY

While you are empowered to use your credit card the way you wish to, it is best to use it responsibly. As credit card mismanagement is on the rise various financial institutions in the country have set up CIBIL, a body to monitor credit usage and safeguard the interests of member banks and financial institutions. Here is how an ideal credit cycle works:

WHAT IS CREDIT INFORMATION BUREAU INDIA LIMITED (CIBIL)?

CIBIL is India's first credit information bureau established in 2004. It is a repository of information which contains the credit history of all borrowers. CIBIL's members include all leading banks, financial institutions, non-banking financial companies, housing finance companies, state financial corporations and credit card companies.

WHAT IS A CREDIT INFORMATION REPORT?

A Credit Information Report (CIR) is a factual record of a borrower's credit payment history compiled from information received from different credit grantors. Its purpose is to help Banks & Financial Institutions make informed lending decisions - quickly and objectively.

HOW DOES THE CREDIT INFORMATION REPORT IMPACT ME?

When you approach the Banks & Financial Institutions for credit, your application will be evaluated on the basis of your past payment history, existing credit lines and other factors such as income and security. A good past payment history may lead to credit being granted faster and on better terms.

On the other hand, a poor past payment record indicate past delinquency and can lead to denial of credit or extremely expensive credit.

Therefore prudent credit management and financial discipline is a must to ensure a good credit history for enabling you for smooth and faster access to affordable credit in the future.

HOW DO I IMPROVE MY CREDIT RECORD?

- Make at least the minimum amount due on time each month. On time payments will have the most positive significant impact on your credit record.
- Maintain affordable & reasonable levels of credit
- Limit the number of credit cards that you hold. Maintaining a large number of cards can hurt your credit history.
- Do not use your credit card such that your outstanding is very close to your credit limit as this can adversely affect your credit rating.

HOW CAN YOU MAINTAIN A GOOD CREDIT HISTORY?

There are a number of things you can do to build and maintain a good credit history.

Here are some important do's and don'ts :

DO'S

- Pay off your "Minimum Amount Due" on your card every month

SBICPSL is not obliged to make any independent verification with regard to order details provided by the Cardholder and shall be entitled to rely on the details submitted by the Cardholder on the Internet.
- 3.8 Some transactions may attract a service charge, in addition to the amount of the Charge, at certain Merchant Establishments. SBICPSL may also levy charges for collection of cheques, maintenance of the Card Accounts, and for other services that may be rendered to the Cardholder from time to time.
- 3.9 The Cardholder must sign and collect the Charge slip, Cash Advance Slip or Mail Order Coupon at the time of incurring the Charge. Failure to sign a charge slip will not avoid liability for the Charges. The Cardholder must retain his/her own copy of the charge slips. Copies of charge slips will not normally be provided by SBICPSL. However, at its discretion, and upon customer request, SBICPSL may provide copies thereof subject to an additional charge.
- 3.10 In relation to Charges on account of mail order or telephone or electronic commerce (e.g. on the Internet) where a charge slip or voucher may not be available for signature, the Cardholder accepts that in the event of any dispute regarding the authenticity or validity of such a Charge, the Cardholder will first clear his/her Outstanding on the Card and then endeavour to resolve the dispute directly with the concerned Merchant Establishment.
- 3.11 Any charge slip or other payment requisition (electronic or otherwise) received from a Merchant Establishment or any intermediary by SBICPSL for payment shall be conclusive proof that the amount recorded on such charge slip or other requisition was properly incurred by the use of the Card by the Cardholder. Should the Cardholder choose to disagree with a Charge indicated in the monthly statement of account, the same should be communicated to SBICPSL within 10 (ten) days of the statement date, failing which it would be construed that all Charges and the monthly statement of account are entirely in order.
- 3.12 You agree that an electronic record or printout of an electronic record or a copy produced from a microfilm or a scanned/digital image of any document or Charge relating to your Card/Card Account with SBICPSL or produced from data received by SBICPSL electronically from the Merchant Establishment or from you or any intermediary, shall be conclusive evidence of that document or Charge for any purpose.
- 3.13 SBICPSL will not be responsible if any Merchant Establishment refuses to accept the Card or is unable to transact on the Card or levies a surcharge on the Card. However, the Cardholder should notify SBICPSL of this complaint. SBICPSL is not responsible or liable for any defect or deficiency in respect of goods and services charged to the Card. Any dispute should be settled directly by the Cardholder with the Merchant Establishment and failure to do so will not relieve the Cardholder of any obligations to SBICPSL. The existence of a claim or dispute shall not relieve the Cardholder of his/her obligation to pay all Charges and the Cardholder agrees to pay promptly such Charges, notwithstanding any dispute or claim whatsoever. No claim by the Cardholder against a Merchant Establishment will be the subject of a set-off or counterclaim against SBICPSL.
- 3.14 SBICPSL may, at its sole discretion, permit from time to time, its Cardholder to transfer his/her

Outstanding balances ("Balance Transfer/s") on other credit cards and credit facilities availed by him/her from other companies and financial institutions. Balance Transfers will not be accepted from overdue status accounts or where the credit limit has been exceeded or which are greater than the Outstanding balances on such other credit cards and will be limited to such percentage of the available credit limit on the Card as may be determined by SBICPSL. Balance Transfer requests will also not be accepted from other SBI Card PULSE accounts. By choosing to avail of the Balance Transfer facility, the Cardholder authorizes SBICPSL to make payments to companies/financial institutions so designated. SBICPSL, however, reserves its absolute right to refuse any Balance Transfer request. The Cardholder must continue to meet his/her obligations in respect of his/her existing credit facilities, balances of which are the subject of Transfer hereunder, until he/she has received a written intimation from SBICPSL that the Balance Transfer request has been accepted and payments have been made to the companies/financial institutions so designated. SBICPSL will not be liable for any new charges, overdue payments or interests incurred on other credit cards/facilities. SBICPSL may, in its discretion, stipulate additional terms and conditions from time to time.

- 3.15 The Cardholder acknowledges that the privileges, benefits and facilities attached to the Card may be suspended/withdrawn by SBICPSL at its discretion at any time without liability to the Cardholder. Termination of this Cardholder Agreement shall result automatically in the termination of such privileges, benefits and facilities. SBICPSL shall not be liable in any way to the Cardholder for any defect or deficiency in any privileges, benefits or facilities provided by third party suppliers or Merchant Establishments.
- 3.16 A purchase and a cancellation of goods/services, e.g. air/rail tickets, are two separate transactions. The Cardholder must pay for the purchase transaction as it appears on the statement to avoid incurring finance charges or fees. Credit of refund on account of cancellation will be made to the Card Account (less cancellation charges) only when received from the Merchant Establishment. No cash refund will be given to the Cardholder. If a credit is not posted to the Card Account within a reasonable time, the Cardholder must notify SBICPSL within 30 (thirty) days of cancellation.
- 3.17 The onus of complying with the foreign exchange control/management regulations, baggage rules, EXIM Policy and other applicable laws, as amended from time to time, is solely that of the Cardholder and the Cardholder and shall indemnify and hold harmless SBICPSL from any consequence, loss, damage, expense or any other financial charge that SBICPSL may incur and/or suffer on account of the Cardholder's contravention of any applicable law and regulation. Non-compliance with the regulations shall not be a ground for the Cardholder to delay or refuse the amounts payable to SBICPSL. In case the Card is suspended/cancelled, whether on account of non-compliance with exchange control/management regulations or otherwise, SBICPSL will not be responsible for any attempted usage of the Card, whether in India or abroad, resulting in the Card being dishonoured and the concerned Merchant Establishment would be entitled to pick up the Card on presentation.

4. CASH ADVANCES

The Cardholder may be permitted to obtain a Cash Advance from designated branches of State Bank of India, Automated Teller Machines (ATMs) and/or other permitted establishments subject to applicable terms and requirements imposed by SBICPSL from time to time. A minimum and/or maximum amount of Cash Advance that can be accessed on the Card in a single charge or in a single business day may be specified by SBICPSL periodically. The total amount that will be available for cash withdrawal at any point in time will be governed by cash limits set up periodically which will be disclosed to the Cardholder in the monthly statement of account. A cash advance fee will be levied on each such Charge and will be billed to the Cardholder.

5. INSURANCE BENEFITS

- 5.1 Insurance is optional and a subject matter of solicitation. In the event any insurance cover or benefit of any insurance cover is made available to the Cardholder by an insurance company at the request of SBICPSL, the Cardholder specifically acknowledges that SBICPSL will not be liable in any manner whatsoever and that the insurance company will be solely liable for all claims thereunder. The Cardholder shall not hold SBICPSL responsible for any matter arising out of or in connection with such insurance cover, whether for or in respect of any deficiency or defect in such insurance cover. Recovery or payment of compensation, processing or settlement of claims or any other matter in relation to the insurance cover shall be addressed to and resolved directly by the Cardholder with the insurance company.
- 5.2 The Cardholder further acknowledges that the insurance cover so provided will be available to the Cardholder only as per the terms of the relevant insurance policy in force and only so long as the Card Account is maintained in good standing. On the Card being suspended or cancelled for whatever reason, the benefit of such insurance cover shall automatically and ipso facto cease to be available from the date of suspension/cancellation of the Card Account.
- 5.3 The Cardholder hereby authorizes SBICPSL to require the insurance company to settle any Outstanding on his/her Card Account before payment of any compensation or claim to his/her heirs, nominees, beneficiaries, etc., under the insurance policy.

6. BILLING & SETTLEMENT

Failure on the part of the Cardholder to receive the statement of account electronically (by e-mail or through access to the Card Account on the Internet) will not avoid his/her liability for the Charges incurred on the Card and the Cardholder shall be liable to make payment for the Charges within 30 days of incurring the Charge on the basis of his/her own record of the transaction or earlier if requested by SBICPSL.

- 6.2 SBICPSL will debit the Card Account for all the Charges incurred by use of the Card and provided for in the Agreement.
